Retaining Employment and Talent After Injury/Illness Network (RETAIN) Employer Enrollment Pledge

- _____ is committed to working with the RETAINWORKS program and staff to promote Stay at Work/Return to Work (SAW/RTW) best practices. Our goal is to RETAIN our talent and support our injured/ill workers to return to work as soon as medically able.
- We understand that getting employees back to work is a team effort and by joining the **RETAINWORKS** demonstration project, we will have access to Nurse Navigators, Workforce and Employment Coordinators, as well as a pool of job candidates enrolled in **RETAINWORKS**. These talented individuals are ready to work, and their employer may be reimbursed up to 50% of the trainees' wages to offset the cost of on-the-job-training.
- We will refer recently injured or ill employees to the RETAIN program when appropriate.
